### 108. W & NCO Proficiency Phase 3 Drill Evaluation

The 2017 Phase III Drill Evaluation will be held as follows:

**CLB Armoury Sunday April 9, 2017 starting at 430 - 630 PM**

Capt. Wayne Young will be conducting Drill Evaluations for all NCO's who had enrolled in the W&NCO Proficiency fall session and for those who did not succeed in Summer Camp. Each evaluation should run no longer than 10 minutes. Out of town companies will be contacted to make alternate arrangements if this time is not suitable to all. Please keep in mind that there won't be a Summer Camp course this year due to the camping changes, so a special effort will be made to ensure there is a fair opportunity for evaluations before this training year concludes in June.

### 109. Summer Camp Applications

The Summer Camp 2017 Package was distributed earlier in March. Companies are reminded of the April 15, 2016 deadline for the submission of Camp Applications for Summer Camp 2017. Your kind cooperation would be greatly appreciated.
